Visions of Cullen Park

Summer is almost here, the days are long and starting to warm up. There is a lot of activity at the park and I am hearing that there are a lot of fish to be caught. Until recently the Nor'Easters and not so favorable weather have kept the avid fishermen from taking out their boats and getting their catch. But the boat launches and fishing pier are busy. Even saw a man in a wheelchair trying his luck.

The winds have washed up a lot of wood. If anyone wants firewood, driftwood or crafting wood, feel free to take what you want.

Recently Don Stader organized a project to spread Woodchips on the causeway and walking paths. The Forestry Dept. delivered 2 truckloads that took 2 days to complete. Unfortunately, after making about 20 calls to his standing list of volunteers, response was minimal. But a big Thanks goes to Robin Duffin, Mike Hoeffel, Dave Zabler, Charles? and passerby, Boyd? for pitching in. Don, who is now 86 years old, deserves a special acknowledgement for seeing that it got done. The paths look attractive, smell good and are a big asset.

The next meeting is June 28 at 6:30 at CrossPoint Church. The guest speaker will be Kayla Musgrave, Miss Shoreland Point Place.

Till the next time, Vee

The 13th Annual Mustard Seed Walk Saturday, June 17, 2017

We will walk from Cullen Park @ 10 am to Friendship Park Community Center. It is too late to receive a T-Shirt but you are still welcome to join us. I want to thank my committee John Horvath and Ruth Kohn for the amazing job they have done to get sponsors and walkers for this year's walk. We will be donating near \$2,500 to Mustard Seed. Thank You to All the Sponsors.
