### **A Letter from Our President**

Hello Everyone!

August is well on its way now. On July 28, PPBA Scholarship Foundation and The Legacy Community Foundation held their annual golf outing. It seemed that a good time was had by all who attended. Some of the new guys were very excited about what we had to offer them. From PPBA, I would like to say a thank you to all who helped to make it a success. And especially to Dave Stickley for all of his hard work in setting it up. This is the main fundraiser for the Scholarship Foundation. Throughout the year when making donations, please consider this foundation - it is a 501(c)3 and can use all the help we can give to it.

The meeting this month is a progressive dinner and will be an opportunity to network with the other members. Always be sure to carry some business cards with you, that way when someone asks for one you have it! Friendship with the other members is a good way to network. We should always remember that.

Let's enjoy this last month of summer!

Our next board meeting on Sept. 6th is after the Labor Day weekend!

We will be choosing a nominating committee at our September meeting on the 20th. Put your thinking caps on as you will choose three members. And from there, the committee will be looking for candidates. Think about whether you would run for office. You would be doing great service for the organization.

Hoping to see many of you at our Progressive Dinner!

Mary Lichtenwald  
PPBA President

## Visions of Cullen Park

The next meeting of Visions of Cullen Park will be August 23rd at CrossPoint Church. Meetings are open to everybody. At the July meeting Officer Dave O'Brien attended and discussed issues at Cullen and in the Point. He could not emphasize enough how important it is to report anything suspicious happenings. If the calls don't come in it can only be presumed nothing is wrong. Also, Joe and Diane Cutcher gave a great presentation on how anyone can have a butterfly garden in their yard. It was very interesting and informative. Bass tournaments are still taking place. Refer to the schedule in the previous newsletter.

Till the next time, Vee
