Visions of Cullen Park

It's that time of year again...early darkness, snowflakes, no docks at Cullen Park, stubborn leaves hanging on the trees and holidays in our midst and time to take a breather before Visions of Cullen Park starts up again in January. It was a good year.

On behalf of all the volunteers I would like to wish everyone a Merry Christmas and Happy New Year. May the beautiful spirit of the Season linger long after the Christmas tree is stashed away and all the cookies are gone.

Till the next time,

Vee

Letter from Our President

Merry Christmas and Happy New Year!

This has been such a busy year! I think that is good news. It is wonderful to go down Summit Street and see all that has taken place - empty buildings are no longer empty. Things are moving again.

I would like to take this time to wish the PPBA Officers and Board of Control a very good year. Membership is starting to increase. We have new ones and some have returned. We are looking forward to seeing a crowd at the annual Christmas meeting and party. Reservations need to be in by Friday, Dec. 15th for our caterer. That will be in another part of the newsletter.

This next week, statements will be going out to the members who have not paid their dues yet. If dues are not in by Dec. 31st, your name will not be in the directory. It will go to the printer after New Year's Day so we can prepare our member packets for the banquet. The 2018 banquet will be held at Toledo Yacht Club on January 17th, 2018. Invitations will go out the first of January. The committee is in planning process now!

See you at the Christmas Party!

Mary Lichtenwald
2017 President
