JANUARY 2018 EDITION

LETTER FROM THE PPBA PRESIDENT

I am honored to be serving as President for 2018... The 70th Anniversary of our wonderful association.

I have lived in Point Place all my life. I first was aware of the Point Place Business Men's Association (our predecessor) when I won a bike in their Christmas give away at the age of seven. When I started my business in 1987, one of the first things I did was join the association. I became active right away. The Easter Egg Hunt & Scholarship Program were two of my passions from the start. Since then I have served as President of the Scholarship Foundation, President of PPBA in 1994 and served as an officer or Board Member over the past 31 years. I have been involved in almost every wonderful event and project the association sponsors. It has given me great joy and pride to serve our association & community.

I have worked with and look up to some outstanding members. Too many names to mention. They have been my mentors. They are the backbone of the association. I want to thank all of those who have served, volunteered and/or donated to keep the association one of the largest and in my opinion, the best association in NW Ohio... A special Thank You to 2017 officers and board members of PPBA and our two foundations. Also Thank You to all the event chairmen.

I am excited to be working with the 2018 PPBA Board. We have a wonderful mixture of experienced & new, young & old and from diverse backgrounds. With all we do for our community, one of our goals is what more we can do for our members and business community. There will be some new and exciting benefits we will be offering soon. Stay tuned...

I challenge each member to attend one meeting, volunteer at one event and/or serve on one committee. Grow our membership by inviting one friend to a meeting as a potential member. I promise you, it will be a benefit to you and your business.

Some say, that not many read the newsletter. I don't believe that. I am asking each of you that are reading this to send a reply to our newsletter email ppbanewsletter@gmail.com that our Publicity Chairman, Kellie Schlächter, has created. Just respond: I read it or done... Your name will be entered in a drawing for a gift card to one of our member restaurants. The drawing will be at our February 21st Membership Meeting.

I hope you will all attend our Banquet on January 17...
We will be celebrating the past 70 years and planning for the future ...

VISIONS OF CULLEN PARK UPDATES

– Happy New Year. The next meeting of Visions of Cullen Park will be January 24th at 6:30 pm at CrossPoint Church 4212 Onondaga. After the holiday break we look forward to continuing our efforts to improve the park and the surrounding area. The meeting is open to the public any suggestions or ideas are given consideration.

I have confirmed that Mayor Wade Kapszukiewicz will attend the February 28th meeting. He is interested to know more about Visions of Cullen Park and has expressed some ideas that would impact the park. We look forward to a good working relationship with the Mayor.

Lisa Ward is no longer heading up the Division of Parks, Recreation and Forestry. A search is on for her successor. Lisa has been very helpful with Visions since she took over for Denny Garvin when he retired and we are grateful for all she has done. We wish her well in future endeavors.

Till the next time, stay warm. Vee
