

PPBA NEWSLETTER – MAKE YOUR POINT

JULY 2018 EDITION

LETTER FROM THE PPBA PRESIDENT

Joyce P Ejhinger
2018 President

Hope you have All Survived the Heat Wave...

June was a very busy and hot month. I am enjoying the cooler temps today, as I write this.

Hard to believe we are 1/2 way through 2018. It has been a good year but so much more to get accomplished. There are only a few months left to have a special program or speaker. I have been given a few ideas but asking all of you... Do you have a suggestion or a speaker, you would like to suggest?

Please do what you can to support the Golf Scrambles supporting our 2 foundations. It is Friday, July 27th at Detwiler. Shotgun start at Noon. Nice dinner afterwards. You should have received a mailing. If you need information, want to register a foursome, Sponsor A Hole, come for dinner or donate a raffle prize, call Dave at Greenwood Printing [419-727- 3275](tel:419-727-3275). They are on vacation until July 16th but leave a message. You can also bring your Raffle Prize to the meeting on July 18th.

The August Meeting will be a Picnic with The Point Place Heritage Society at Shoreland Park on August 15th. It will be a Potluck. It will be free for everyone. Invite a friend to join us. We will be providing the meat but everyone will be required to bring a dish to share. More details in the August Newsletter.

See you at the meeting...

Stay cool!

Joyce Ejhinger

VISIONS OF CULLEN PARK UPDATES

The floats problem at the kayak/canoe launch has been corrected. However, when the City crew came out to install the docks they ran into a glitch but it will be completed soon.

As mentioned previously a butterfly garden was a topic of discussion at the June meeting. It was pointed out that for all practical purposes, one exists in the area of the vernal pools. But we will be in contact with the Zoo other sources for advice and guidance as to the next step.

I had the opportunity to meet the new Commissioner of Parks, Recreation and Forestry, Karen Ranney Wolkins. She hails from New York and was with the Botanical Gardens before filling the current position. She was very impressed with what has been accomplished at Cullen Park and our conversation led me to believe there will be a great working relationship ahead. I invited her to the next meeting on July 25 but that has not been confirmed as of today.

Have a happy and safe summer. Till the next time, Vee
