August 2020 Newsletter

From the President

Hello Members:

Hope everyone is doing well during these times. We are not going on the Sandpiper this month as planned - maybe next year. We are planning on having a regular meeting on September 16th at Bay View Yacht Club outdoors on their covered patio, looking forward to seeing all of you there. More info will be sent through e-mail. We would like your input on what you think on next year's officers and dues because of the Covid-19 pandemic. Please e-mail me at Tom51@bex.net with your ideas. We are also trying to figure something out for Candidates night in October, email me those ideas also. Thanking you in advance for your usual cooperation.

God Bless All of You
Tom Stagner, President

Visions of Cullen Park

Happy August everyone. Nothing much to report this month...no meetings. So, I am putting in a picture of the Cofferd Dam at Cullen Park when the new docks and ramps were being constructed. The dictionary reads:
Cofferd Dam: a watertight enclosure from which water is pumped to expose the bottom of a body of water and permit construction.

This project was so interesting and educational...I learned a lot.
For instance, I learned that ' Slurry' (dictionary: a watery mixture of insoluble matter) is (my definition) sloppy concrete.

Be safe, be happy and be kind.
Till the next time, Vee

Amber Keesee & her husband had a healthy & handsome baby boy on August 1st.

Nikola Khalil Keesee 7 lbs. 15 oz.

It is reported everyone is doing well.

Amber is PPBA Secretary and works for Jasin-Hoening Funeral Home.

Congratulations to All...

Thank you!

VJ Huffman stepped down from being Chairman of Adopt a Pot earlier this Summer. He has done a wonderful job over the years. He will still be involved helping with the pots and taking care of the flowers at the Lighthouse. He also sprays the bricks around the Lighthouse to keep the weeds away. He donates his materials and labor.

Thank You VJ 🙌🙌

I agreed to take over for VJ and am the new PPBA Beautification Chairman. I already have been involved in getting volunteers to empty the garbage cans along Summit St. I also care for the Point Place Frog. We need help so opened it up and asked for more help from the community.

On Wednesday, July 29, a group of 15 concerned residents gathered at Friendship Park to form the Point/Shoreland Beautification Committee. We are an ad hoc committee under the Beautification Committee of the Point Place Business Association (PPBA.)

Our first project had been to remove the weeds at the curbs and sidewalks along Summit St. You may have noticed individuals or groups doing the clean ups.

We have a FB page by the same name (Point/Shoreland Beautification Committee) that will post our projects, ideas and concerns.

<https://www.facebook.com/groups/1198168547212827/?ref=share>

If you are not on Facebook but would like to be involved or have questions you can email Joyce Ejhinger at jejhinger@aol.com.

Some of the other areas we will be working on:

- Adopt-a-Pot - All planters are adopted at this point but can always use help.
- Decorative Metal Trash Cans -
- Updating and keeping them emptied.
- Benches - Fixing, Replacing & Painting them.
- The Frog - Checking for weeds.
- Lighthouse - VJ and Volunteers are taking care of it currently.

And other projects & cleanups as they come along.

I do want to compliment and thank the many businesses & residents that do an amazing job taking care of their property. Curb appeal is so important.
